

McGraw-Hill's Connect Public Speaking helps students practice, build confidence, and achieve success in public speaking. Speech Preparation tools give students a wealth of resources to prepare and plan speeches, including a topic helper and customizable outline tool. A highly flexible speech capture tool saves instructors valuable time in managing assignments and evaluating student speeches. LearnSmart, McGraw-Hill's proven adaptive learning system, guides them toward mastery of key course concepts. Sample speech videos offer examples for discussion and analysis. A bank of assignable exercises provides a wealth of opportunity for chapter study and assessment. Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need, when they need it, and how they need it, so that your class time is more engaging and effective.
