

John Jacobson, one of Americas best-loved musical personalities, is known for sharing his passion, humor and insights with students and teachers, helping them to revitalize and re-energize. Now, he has created a collection of 366 short essays one for each day of the year, including Leap Year to help educators rediscover the fervor and creativity that brought them into teaching in the first place, and inspire the artist that stirs within! Through the readings in this beautifully designed daily companion, a teacher will reawaken the mind, spirit and body to the connection between ones personal art and the art of teaching, tapping the restorative power of creativity in nourishing the soul.
